

Register for the

21st School for Astroparticle Physics

~~SEPTEMBER 22 – 30, 2025~~
SEPTEMBER 4 – 12, 2025

in Waischenfeld in the countryside near Erlangen.

The School primarily addresses **PhD students from all fields of experimental and theoretical astroparticle physics.**

The School is organized by the Erlangen Centre for Astroparticle Physics and the Friedrich-Alexander-Universität Erlangen-Nürnberg.

The preliminary programme includes multi-part lecture series, participant presentations and soft-skill workshops. The registration fee including accommodation and all meals will be 500€.

Scientific advisory committee:

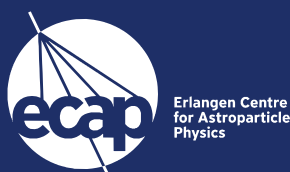

Christian Stegmann (DESY & DZA),
Michèle Heurs (Leibniz University Hannover),
Susanne Mertens (TU Munich), Ralph Engel (KIT)
