

Erlangen, September 10<sup>th</sup>, 2019

## Bulletin 2

### School for Astroparticle Physics

October 2<sup>nd</sup>-10<sup>th</sup>, 2019, Obertrubach-Bärnfels

## 1 Payment of the participation fee

The fee amounts to 280 € per participant. All participants are requested to make the payment via bank transfer **until September 24<sup>th</sup>, 2019** at the latest to the following account:

Recipient: Staatsoberkasse Bayern in Landshut  
Bank: Bayr. Landesbank München  
IBAN: DE75 7005 0000 0001 1903 15  
BIC/SWIFT: BYLADEMM  
Purpose of transfer: 0002.0160.3568/<name\_of\_participant>/<name\_of\_institute>

Please note that the purpose of transfer is mandatory and must be specified exactly as given above, with the name fields replaced with the data of the corresponding participant. Please refrain from cumulative transfers for several participants.

## 2 Submission of abstracts

Each participant is required to submit an abstract for her or his talk. The official deadline has been September 1<sup>st</sup>, 2019. Please submit your abstract **as soon as possible** if you have not done so, yet.

<https://astroteilchenschule.nat.fau.de/abstracts>

## 3 When will the school start

The School starts on Wednesday, October 2<sup>nd</sup>, 2019 at 4:00 p.m. Prior to that, coffee and cake will be served. Check-in should be finished at 3:30 p.m.

You may find the time table at:

<https://astroteilchenschule.nat.fau.de/timetable.pdf>

## 4 How to get there, upon arrival

Obertrubach-Bärnfels is located in the countryside and is not directly connected to a major traffic hub. Have a look at google maps: <https://goo.gl/maps/1NHM3Zx6hs7Fr2aH8>.

📍 Gasthof Drei Linden, Bärnfels-Dorfstraße 38, 91286 Obertrubach, Germany

☎ +49 9245 9188

Connections from the railway station Nuremberg:

<https://astroteilchenschule.nat.fau.de/gmaps-connections-nue-hbf>

Connections from the airport Nuremberg:

<https://astroteilchenschule.nat.fau.de/gmaps-connections-nue-airport>

As an alternative, we offer all participants a lift from the ECAP site in Erlangen (Erwin-Rommel-Straße 1, 91058 Erlangen, Germany, <https://goo.gl/maps/pXcdNUwk3oxBVQfCA>) to Obertrubach-Bärnfels on October 2<sup>nd</sup> between noon and early afternoon. If you are interested, please email us ([ecap-at-schule@fau.de](mailto:ecap-at-schule@fau.de)) **until September 17<sup>th</sup>, 2019**.

## 5 Facilities

Beamer and whiteboard are available for the lectures and presentations. A laptop will be connected to display the presentations. The lecturers and participants are asked to bring their slides on a usb key (preferably in PDF format). WLAN will be provided.

## 6 Weather, outfit and leisure

The local weather in October can vary from late-summer-like to early-winter-like. It is highly recommended to bring variable outfits including rain shields. Furthermore, hiking boots and sportswear can be of use, due to the mountainous neighbourhood and a sports field close by. On the free Sunday, it is possible to organise a trip through the Fränkische Schweiz.

## 7 Accommodation and food

All participants are accommodated in twin rooms in the guesthouse *Drei Linden* (see <https://www.drei-linden.com/>). Please notify us by email to [ecap-at-schule@fau.de](mailto:ecap-at-schule@fau.de) about preferences concerning room assignments.

Included in the participation fee are breakfast, coffee in the morning break, lunch, coffee and cake in the afternoon and dinner. Beverages, except coffee, have to be paid by the participants. Please indicate special dietary or other requests concerning the food (vegetarian, vegan, ...) in the registration form.

## 8 Questions and suggestions

For up-to-date information about the school, please visit:
