

Welcome!

Synergies in Non-Thermal Astrophysics in Southern Africa

Erlangen Centre for Astroparticle Physics, July 2024

Welcome!

- Welcome to ECAP!
- It's our hope that this meeting will bring together people from H.E.S.S., MeerKAT, the AMT and SALT together for the first time.
- Many online participants, welcome also to you. Please ensure when presenting or asking questions you use the microphones provided so online people can hear.
- I'll probably be easiest if speakers upload their slides to the indico at <https://indico.ecap.work/event/80/>

Synergies in
Non-Thermal
Astrophysics
in Southern
Africa

29 July - 2 August, 2024
Erlangen, Germany

Scientific organisers:
Sam Spencer, Michael Backes,
Garret Cotter, Eli Kasai, Alison
Mitchell, Lauren Rhodes,
Encarni Romero Colmanero,
Local organisers:
Sam Spencer, Jelena Jelic,
Gabriela Eckner, Dmitry Malyshev,
Alison Mitchell, Tim Unbehauen,
Matheus Genaro Dantas Xavier

- We will be based in this new building (ECAP Laboratory, Nikolaus-Fiebiger Str. 2) for the meeting all-week.
- This seminar room on the ground floor (00.061) and the conference room on level 1 (01.061) are booked all week for the talks/breakout sessions.
- Conversation areas in the building corners on levels 1 and 2 also free for meetings with smaller numbers.
- Lab tour tomorrow at 12.

- Timetable is live on indico at <https://indico.ecap.work/event/80/timetable/#20240729>
- Broadly today is dedicated to invited talks, contributed talks dominate Tuesday and Wednesday, and breakout sessions dominate Wednesday afternoon-Friday. Schedule is intentionally light.
- Hope is that these breakout sessions lead to new collaborations forming, H.E.S.S. observing proposal deadline in September for example.

Synergies in Non-Thermal Astrophysics in Southern Africa

29 July 2024 to 2 August 2024
Erlangen Centre for Astroparticle Physics (ECAP), Friedrich-Alexander-Universität Erlangen-Nürnberg
Europe/Berlin timezone

The screenshot shows the Indico interface for the event. On the left is a navigation menu with options: Overview, Registration, Call for Abstracts, Timetable (selected), Catering / Workshop Dinner, Travel Information / Recommended Hotels, Contribution List, Participant List, Organisers, Contact Organisers (with email samuel.spencer@fau.de), and a search icon. The main area is titled 'Timetable' and shows a calendar view for Monday, July 29, 2024. The schedule includes: 10:00-11:00 Welcome: Registration (blue block) and Coffee Break (green block); 11:00-12:00 Welcome (blue block) and Updates from Current Generation Instruments (purple block); 12:00-13:00 Lunch (green block); 14:00-15:00 Updates from Current Generation Instruments (purple block) and Coffee Break (green block); 15:00-16:00 Updates from Current Generation Instruments (purple block); 16:00-17:00 Drinks Reception (green block). Each block contains the text 'Erlangen Centre for Astroparticle Physics (ECAP), Friedrich-Alexander-Universität Erlangen-Nürnberg'.

Lunch + Coffee!

- Lunches will be held at the Max Planck Institute for the Physics of Light (Staudtstraße 2, 91058 Erlangen). Tickets are in your namebadges.
- Will be at 1pm each day, roughly a five minute walk down the road.
- Morning and afternoon coffee breaks will also be held each day at 10:30 am and 3pm in the ECAP lobby.

- Drinks reception tonight at 5pm, all ECAP members will be invited to meet guests from around the world.
- Conference dinner at 6pm on Thursday at the infamous Erlangen `Berg', restaurant is Entla's Kellar (<https://www.entlaskeller.de/>). Will walk from ECAP leaving ~5pm.

A bit more

Freshly baked pretzels and homemade Gerppfter will put you in the mood for the cellar from the very first second. After the main course of your choice, a delicious dessert rounds off the meal. Beer from a barrel tapped especially for you, as well as wine and non-alcoholic drinks from the ice tub, will not leave any chance for thirst.
